GET ACQUAINTED WITH HAKONE GORA FROM INSIDE THE HOTEL, THEN GET OUT AND EXPLORE OUR NEIGHBOURHOOD.

Just down the hill from Gora Station - the last stop on the century-old Hakone Tozan mountain railway line - is the inviting Hotel Indigo® Hakone Gora.

It stands quietly along the cherry-tree-lined Haya River and is surrounded by lush green mountains, a setting that's profoundly calming and undeniably awe-inspiring.

NATURE'S FLOW

The flow of nature has helped to inspire the hotel's stunning interior design. All of our 94 well-appointed guest rooms and 4 suites include a modern Japanese bath tub allowing you to immerse in the mineral-rich onsen water. Our popular river view rooms offer open air baths that let you breathe in the clean mountain air without having to leave your room.

DESIGN TO CAPTIVATE

From the moment you step inside Hotel Indigo Hakone Gora, you'll be greeted with an authentic Japanese experience that blends rich traditional culture with exquisite modern design. Everything you see on the inside, from the textured wood panel roofing to the minimalist interior décor feels authentic and inspired, just as nature expresses herself on the outside.

The lobby entrance is inspired by the traditional tea houses of the past and delicately integrates modern features and technology in a stylish, unobtrusive way. Our design philosophy pays homage to authentic local Hakone architecture and styling.

ROOM TO UNWIND

Our spacious rooms and suites provide the perfect place to rest relax in style. Blending modern design with inspiration from the rich heritage of Hakone Gora, our rooms will surprise you, relax you, and make you curious to discover more.

TASTE THE WATERS, WATCH THE THEATRE OF FIRE

The view from the windows is what inspired the concept of our restaurant and bar: fire and water. Whether you're dining at our all-day dining restaurant influenced by the element of 'fire', or drinking at our lounge bar inspired by 'water', our Riverside - Kitchen & Bar celebrates the local, letting each dish and every drink tell their own stories.

EVERY DAY IS A GOOD DAY

In the morning stay in shape at our 24 hour, fully equipped fitness centre. And after exploring all day, you can relax with a soothing massage or revitalising onsen bath and enjoy soaking up the serenity of one of Japan's most charming destinations.

NEW EXPERIENCE ONSEN

All our bathers have swimwear on, and men and women can relax in our hot springs together. With a 5.2x1.7m screen, one wall of our onsen becomes a mesmerising digital art show, inspired by the nature of Gora.
